Worship Sunday, April 28

Mud Creek Campus

"Show me your faith apart from works, and I by my works will show you faith" (James 2:18b).

The Book of James is a small book in the New Testament filled with words to live by—life lessons that would serve us well to practice every day. The second sermon in the series speaks to how we put our faith into action—that faith is not faith without action to back it up.

Promise Road Campus

"Bear one another's burdens, and in this way you will fulfill the law of Christ" (Galatians 6:2).

When we become defined by what people think, we lose our willingness to be vulnerable; however, when we stop caring about others, we lose our capacity for connection. In what ways can we practice vulnerability in community and with others?
