Worship Sunday, June 5

"When the day of Pentecost had come, they were all together in one place" (Acts 2:1).

It's been 50 days since Easter, and we find ourselves on the day of Pentecost. It is the day when there was common understanding through the coming of the Holy Spirit. Acts describes those present as being "amazed and astonished." This Pentecost, may we be amazed and astonished by the power of the Holy Spirit in our lives.

Mud Creek Campus Worship

- In person at 9:00 am and 10:30 am
- 10:30 am live stream online youtube.com/mudcreeklive

"They were all filled with the Holy Spirit and began to speak in other languages as the Spirit enabled them to speak" (Acts 2:4 CEB).

Bringing surprises from lost causes is God's specialty. On that day of Pentecost, people were surprised by a lot of things. The most astonishing outcome was the change in Jesus' followers. Once they received the Holy Spirit, everything changed. As we celebrate the beginning of the church, we are invited to experience and receive the power of the Spirit once again.

Please note: No 9:02 worship service this week.
